

OBJECTIVE: _____**Creative / Editorial / Operations / Production / with Professional Graphics, Writing and Systems Skills**

Offer wisdom, charm, and outstanding and unusual skills that would be an asset in an organization needing full-time graphics and editorial ability. Seeking a slightly reduced challenge level where my extensive background can be a value-added bonus to the organization.

PROFESSIONAL INFORMATION: _____**Editorial / Production / Publishing**

- **Art Director / Contributing Editor** (1 year) — 1995–1996
Escapade Magazine, Las Vegas, Nevada
— Performed art direction responsibilities for on-line video/computer game oriented consumer magazine; contributed and edited reviews and industry related news and articles.
 - **Managing Editor** (3 years) — 1992-1995
Electronic Games Magazine, Las Vegas, Nevada
— Managed national circulation consumer print magazine with operational, editorial responsibilities for all departments as well as writing video and computer game reviews, copy editing those from outside contributors.
 - **Production Manager** (6 years) — 1986-1992
Quick Frozen Foods International Magazine, New York, NY and Fort Lee, NJ
— Brought editorial and statistical expertise to international trade publication on demise of its domestic sister publication; expanded to advertising coordination and finally production manager with responsibilities for ad placement and organization within the magazine.
 - **Senior Editor** (15 years) — 1971-1986
Quick Frozen Foods Magazine, New York and Cleveland
— Promoted up the ranks from editorial assistant to senior editor of this major trade magazine, handling virtually every editorial department including annual statistical supplements that became an industry focus.
-
- **Typesetting / Graphic Design** (1 year) — 1997–1998
American Printing, Las Vegas, Nevada
 - Also worked in **customer service** (4 years). — 1999-2003
